

Chinese Intermediate II-Rubric of Interpersonal Listening and Speaking (ILS)

	CONTEXT/CONTENT Function I (original language)	CONTEXT/CONTENT Function II (Narration)	CONTEXT/CONTENT Function III (Description)	CONTEXT/CONTENT Function IV (Questions)	CONTEXT/CONTENT Function V (Handling situations)	TEXT TYPE (Answers match the questions)	Comprehensibility/ Accuracy (My overall control of word choice, word order, verb forms, pronunciation; degree of fluency)
A/A+	I can share my own thoughts by combining and recombining language I have learned, to express what I want to say, about myself, my everyday life, and people I know. Exceeding the given the Requirements of Task Outline with (significant) detail.	I can sequence actions using a range of tense indicators with some details* mostly accurately.	In familiar settings, I can give somewhat detailed description and comparison, adding or asking for detail.	I can maintain a conversation by using a variety of relevant questions. (Ask and answer)	I can handle a variety of uncomplicated communicative tasks in straightforward social situations for survival in the target culture.	I can use strings of sentences, including connected sentences.	My teacher <i>readily</i> understands what I am saying without any confusion. My pronunciation and fluency do not interfere with understanding. A wide range of targeted vocabulary is used correctly. My answers reflect my thorough comprehension of the questions I hear.
B/B+	I can share my own thoughts by combining and recombining language I have learned, to express what I want to say, about myself, my everyday life, and people I know. Meeting the Requirements of Task Outline with some detail.	I can sequence actions and use tense indicators* often accurately.	In familiar settings, I can give basic descriptions and make simple comparisons.			I can use more than one sentence at a time and I often use connected sentences.	My teacher readily understands what I'm saying and I am developing more accurate pronunciation and fluency. A good range of targeted vocabulary is used correctly. My answers reflect my correct comprehension of the questions I hear.
C/C+	I can share my own thoughts by combining and recombining language I have learned, to express what I want to say, about myself, my everyday life, and people I know. Partially meeting Requirements of Task Outline with limited detail.	With support I can use basic sequencing vocabulary. I can start to use basic tense indicators * sometimes accurately.	In familiar settings, I can give limited description.	I can participate in a simple conversation. I ask a range of familiar questions.	I can usually handle short, simple social interactions in familiar situations.	I can speak in sentences, with some connected sentences.	My teacher understands what I'm saying and I am developing more accurate pronunciation and fluency. Acceptable range of vocabulary is used correctly. My answers reflect my approaching comprehension of the questions I hear.
D/D+	Much of the time I can express my own thoughts about myself, my everyday life, and people I know; sometimes my thoughts are supported by memorized language. Barely meeting the Requirements of Task Outline.			I can respond to simple, direct questions and am able to ask a few familiar questions.	I can usually handle short, uncomplicated social interactions in very familiar situations.	I tend to speak in phrases and some single sentences.	My teacher usually understands what I'm saying. Very limited targeted vocabulary is used correctly. My answers reflect my limited comprehension of the questions I hear.
