

Assessment (Summative)
Interpersonal Listening and Speaking (ILS)
-Lesson 2 + 3-
Task Outline & Requirements

1. You will have a 1-on-1 conversation about planning to buy a gift for your mother for Mother's Day with your teacher.
2. You need to understand the questions asked by your teacher and give direct, relevant, appropriate, reasonable and complete answers following the common sense and logic in acceptable fluency and accuracy.
3. Try your best to make sure your answers cover as many detail as you can.
4. During the conversation, you need to use as many vocabulary from the textbook (lesson 2 and 3) correctly as you can.
5. You need to ask your teacher 1-2 questions which are related to shopping at the end of the conversation using different question words if you can.
6. You need to maintain the conversation for about 4-5 minutes.
7. This sheet will be presented for you during the test.
8. You need to use at least **1** of the following new sentence structures correctly to meet expectations.

1) subject + 一..., 就 ...

As soon as... —...

2) 为+someone/ organization +提供+ something

Provide someone with something

3) 一点儿 + 都+ 不/ 没 +verb+(object)

Indicates not at all ...

something is happening soon

6) 不要+verb

don't

7) adj. +地+ verb

the adj has become an adv. Used to modify the verb.

8) 虽然...但是...

although.... (but)...

Please refer to the Rubric for more detail.

STUDY GUIDE

Step 1: Organize your study materials by timeline (you can refer to Schoology).

Step 2: Download the **example audio** from Toddle.

Get the vocabulary and your notes ready by your hand.

Play the audio and repeat the conversation with it. (Play and pause and backwards, and play again.)

Step 3: Mark/ Highlight the most challenging words/phrases on the **vocabulary** sheet.

Step 4: Make a daily plan by breaking down the questions from easy to hard or by your own prioritized order.

Step 5: Every day, check your daily plan. Collect questions that you need to ask your teacher for help.

Step 6: Practice with an AI tool-Audio Dialogue Function (e.g.: ChatGPT)

Step 7: Fill out Request Form to get a free student tutor to practice with you after class.

(The link is posted on Toddle.)

QUESTIONS YOUR TEACHER MAY ASK YOU (NOT LIMITED TO):
